Western High School’s 2016-2017 fundraiser is in full affect! This effort is supported by the Western High School Booster Club, a collaborative group of alumnae, parents, and community supporters working to meet the needs of current Doves. Our students are actively supporting the fundraiser by encouraging at least 5 family members or friends to donate $20.00 or more. Each student who raises at least $100 will receive an award. YOU can help your student meet her $100 goal and help secure the legacy of Western by contributing at least $20 to our campaign. See the attached letter for details!!!

The 3rd quarter ends March 31st. At that time, counselors will review students’ grades to determine if they need to attend summer school. If your daughter failed a class all 3 quarters, she will likely need to attend summer school. If she failed a class 2/3 quarters, it is extremely important that she does well 4th quarter to pass the course and avoid summer school. Please study your daughter’s 3rd quarter report card and contact her counselor if you have any questions about her progress and potential need to attend summer school.
