Thank you families for making Back to School Night a huge success. We celebrate you and your commitment to your daughter's success!

Parents Night Out Coming Soon!
Zumba
Family Movie Night
(Bring your chairs, blankets, & picnic baskets)

Success Tips for College and Career Readiness

Please support your Dove's academic success by helping her focus on...

Attendance
Set a goal for 94% or higher for the entire year. Do not allow absence except if absolutely necessary, and send documentation when she returns.

GPA
Set a goal for 3.0 or higher. Be sure that she has a consistent time and space for homework and study each night.

Assessments
Ensure she does her best on all assessments, especially iReady (performing at grade level on the September test will eliminate the need for a January test), PARCC, HSA and PSAT/SAT. Resources are available online.

Community Involvement
Encourage her to get involved in extra curricular activities that suit her interests, as well as internship and service learning opportunities.
