Dear Western Family,

To reiterate the state mandate for curbing the spread of COVID-19, City Schools will close March 16th thru March 27th. Parent teacher conferences originally scheduled for today are cancelled. All athletic and club activities are cancelled as well. We hope to reassure students and parents in this difficult time that learning will continue although the school building is closed. Students should make the most of the time at home by logging into Google Classroom (on-line course platform) beginning Monday, March 16th to receive posted assignments from their teachers. A list of teacher logins and instructions will be posted to our website by 9am Monday, March 16th. This work should be completed by the time students return to school. The district will provide grade level assignments for additional practice on the BCPSS website on March 16th. Students with internet concerns may pick-up copies of assignments from the main office March 17th through 19th from 10:00 - 3:00.

City Schools will operate an emergency food service program at eight sites from 10:00 AM to 2:00 PM beginning Monday, March 16th through Friday March 20th. Students will be able to receive grab-and-go free breakfast and lunch meals. The sites will be announced by Sunday, March 15th and will be listed on the health updates webpage. During the time of the closure, we will take steps to ensure all school surfaces are sanitized and a deep cleaning occurs throughout the building.

This is a challenging period for everyone, and we hope that families exercise necessary precautions for staying healthy and safe.

Sincerely,

Michelle White
Principal
